**Stand Up for Justice Public Protest**

Friday December 12, 2014 3:30-5:00pm

Springfield Avenue between Lincoln Ave. and Prospect St., Champaign and Urbana

Students, teachers, and staff of all Champaign and Urbana area schools, the University of Illinois, Parkland College, and community members are invited to join in solidarity against the injustices being waged against people of color in our community and across the country.

In light of recent public criticism against the students of Centennial High School in their efforts to protest racial discrimination in police practices, we invite you to join with students from all area high schools to assert our right to speak and be heard. We are demonstrating the support of the campus communities and of the citizens of Champaign, Urbana, and Savoy of the efforts of our students to enact positive change in our communities and our nation.

While the schools and university have held previous separate protests, we now call for a joint demonstration by all groups. We ask all demonstrators to stand side-by-side to form a human chain along Springfield Avenue between Lincoln Ave in Urbana and Prospect St. in Champaign.

We ask that students from area schools:

- Travel from their schools to Springfield Avenue following their dismissal
- Spread out east and west until they meet the other demonstrators between Lincoln Ave. and Prospect St.

We ask that students, faculty, and staff from the University of Illinois and Parkland College, and community members join the students along the street.

Please note: Our intention is to hold a peaceful demonstration focused on visibility of our presence and our message. We feel that criticisms regarding the students' presence in the street during a previous protest overshadowed the message. Therefore, we request that this demonstration be conducted lawfully. The Champaign Police Department advises demonstrators to:

- Observe all traffic and pedestrian laws at all times
- Remain on the sidewalks
- Do not obstruct the flow of traffic or pedestrians in any way
- Do not enter onto any private property
- Do not block access to businesses or residences in any way

In order to show the solidarity among our various community institutions, we ask that demonstrators either wear or promote with signs their affiliations to their school, business, or community agency.

Students and others who need transportation or assistance are encouraged to contact [cstudents4justice@gmail.com](mailto:cstudents4justice@gmail.com) to make arrangements.

Please use #CUS4J to organize and help direct demonstrators to where coverage is needed.

There are no sidewalks on the south side of Springfield between Mattis and Russell.  
 Demonstrators will need to stand on the north side of the street in this area.
